On motion by Steege, seconded by Truax, the board approved the agenda. Motion carried 4-0.  
The school board met with SiteLogIQ to continue facility work from our August 4, 2025 meeting. The focus of the meeting was to complete the prioritizing of facility

options and determine the funding plan. SiteLogIQ was present to offer further detail into facility scenarios and pricing estimates.  
Based on community feedback (survey), work presented by the community task force, and school board discussions, the school board established priorities. The board felt the facility plan and funding model best answered the driving questions of "What is best for students and staff?", "What is fiscally responsible?", and "What will the community support?"  
The board is prepared to take action on the facility priorities and funding plan at their regularly scheduled monthly meeting on August 18, 2025 at 6:00 PM at Aplington-Parkersburg High School.  
On motion by Truax, seconded by LaBree, the board adjourned at 8:04 p.m. Motion carried 4-0.
